# WORLDWIDE TRUCK & PLANT EXPORTERS

M.W. Tractors is a family run and owned company with over 40 years of experience in the export of used trucks, used plant equipment and used spare parts.

Our Customers range from all over the world across a broad spectrum of industries. No matter where you are or what type of vehicle or service you are looking for, M.W. Tractors will be able to satisfy your requirements.

Over the years we have built an excellent worldwide reputation by providing a fast and efficient service, quality equipment at a competitive price which is why our customers return time after time.

We carry a large quantity of stock available to view at our premises, and provide a complete export service. This includes:

- A Large choice of trucks for export.
- Dismantling trucks for export.
- Spare parts for export including: Engines, Gearboxes, Axles, Double Drive Bogies etc.
- Loading Containers.
- All Aspects of Shipping, Export and Documentation.

To view our complete stock, please visit our website.

# WORLDWIDE TRUCK & PLANT EXPORTERS

Our range of used spare parts is one of the largest in the UK, with hundreds of items ready for immediate despatch.

We stock a large range of used:

- Engines
- Gearboxes
- Axels
- Double Drive Bogies

Not to mention a large selection of Trucks ready for dismantling.

We have complete facilities for dismantling trucks, loading containers and all aspects of shipping and export documentation.

Once an agreement has been reached, we can offer a complete package which will deliver your desired goods to you in a timely and professional manor.
